given a training card with types of activities and problems they should
practise at home during the week. Please spend some time with your
child helping them with this training card. They will complete their
challenge each Friday and bring home a new training card.

Water Bottles and Sun Cream

When the weather is quite warm, it is important to keep your child
safe in the sun. As your child may be outside some of the day as
well as break and lunch-times we ask that you apply a high factor sun
lotion to any exposed skin before school.

We provide sunhats for Acorn and Willow classes and ensure that
they wear them, however if you have children in any other classes
please ensure that they come to school with a named sunhat.

Also don't forget that we have water coolers in school for your child to
refill their water bottles when required. If your child has lost or
requires a new water bottle they are available for £1 at the school
office.

Boom! BATTLE

Children don't forget to see the new 'BOYS VS GIRLS' issue of
BOOM! The group that has more quiz entries will be the group with
the chance to win! Go on the website and complete the quiz for a
chance to win a prize! But remember to stay safe online and only use
the internet when an adult says it is okay to do so. Call at the office
for the secret address.
