Don't forget boys to look on the online magazine just for you. Each issue is packed with interesting stuff including movies, music, cool stuff, gross stuff, sport and gadgets! Don't forget to do the quiz which accompanies each issue, if the questions are all answered correctly and handed in will be entered into a prize draw!

Harvest Festival

We will be holding our Harvest Festival in main school on Friday 26th October. We would be very grateful for any contributions of fruit, vegetable and especially tinned food that you can spare. As usual I am inviting you to nominate anyone you would feel would benefit from a share of the produce that we collect, any remaining produce will be given to The People's Kitchen who are always extremely grateful for our donations. We will send the slips out next week.

Head Lice Let's fight them Together

ONCE A WEEK TAKE A PEEK

Head lice are a normal part of young family life and are nothing to be embarrassed, panicked or ashamed about. They are a part of school life. Head lice are live insects, their empty eggs are called nits. Lice are wingless insects that hold on to the hair, feeding from the blood on the head. They are spread by close head contact but they do not jump. They do not spread disease and they can pass from adults to children and back again. Can we thank you in advance for your continued support and ask you to follow the advice of once a week 'take a peek'. If you need further advice please contact the school nurse on 822889 or www.onceaweektakeapeek.com
