Dear Parents

This term our fantastic TV show 'Portal' is returning. 'The Portal Project' is a new after school club where KS2 children will create, write, act, direct, film and edit new episodes of the hit show! The episodes can be about anything and all the ideas will be generated by the children taking part.

'The Portal Project' will take place each Monday from 3.00pm until 4.15pm. Children in years 3-6 are welcome to attend, however places are limited. If your child is interested in attending please complete the slip below and return to school by Wednesday 24th April and you will be informed if they have a place.

Yours sincerely

Mrs P Mulholland
