

Thought for the Week: My mission in life is not merely to survive, but to thrive; and to do so with some passion, some compassion, some humour, and some style." - Maya Angelou

What a fabulous first week back we have had! The children have looked really smart in their uniforms and have returned from the summer break ready and eager to continue with their learning. Behaviour in and around school has been of the very highest standard, attendance has been excellent and it's so lovely to have us all back together again as a community. May I take this opportunity to welcome our new starters who I believe have already settled in really quickly, making new friends and working hard in our wonderful school. It has been good to talk to parents and carers in the yard at the beginning and end of the school day. Please don't hesitate to come over for a chat and let me know if you have any worries or, of course, if you want to let us know about something you feel is working particularly well. My aim, as well as that of all the staff here, is to ensure that we do everything we can to provide the very best educational provision for your children, at all times.

As always, thank you for your support and have a wonderful week.

Cycling Tour of Britain - Northumberland September 9th & 10th 2015

Yesterday, our Year 3 and Year 6 pupils attended the event and had an exciting afternoon watching all the pageant and celebration that took place surrounding the Tour. Naturally, most of the riders went past them in a flash, but it was an opportunity for as many of our children as possible to experience the event from a safe watching place. I hope they all had a fantastic time.

Coming Up Later This Half Term

Just to let you know that later this half term we are planning a **curriculum afternoon** for parents to come in and talk to their child about some of the things they have been learning about and see how they are getting on. We also aim to have another opportunity for parents to have **lunch with their child**. In addition, we will be having a **Governor Forum**, which will be an informal get-together where you can drop in to meet Governors, discuss constructive ways in which you think we could 'do better' as a school or just to chat over the exciting things happening in school this year. Keep reading the Station Voice over the next few weeks for more information and dates.

Tag Rugby After School Club (Year 5 and Year 6 only)

On Wednesday 16th September we will be starting a Tag Rugby after school club from 3.00pm until 4.00pm. it will run up to the half term holidays.
They will require their PE kit: t-shirt, shorts, trainers or sand shoes, maybe jogging pants and a jumper.
If your child is interested please complete and return the slip below. Please note that spaces are limited and they will be given on a first come first served basis.
