They have been well prepared, confident and ready to show what they can do to celebrate all their hard work. Moreover, their attitude towards their learning has been exemplary. Well done everyone! School Meals – Summer Menus and Parent & Carer visits to the school – Mathematics Workshop

To all parents and carers don't forget to come and join us from Monday 1st June to try our new menus for yourselves whilst also joining your child for a curriculum workshop.

We have decided to base our workshops on Mathematics and every Monday, from 1st June until the end of term, you are invited into school to join the children for a mathematics workshop at 11.00am and then have lunch with their child at 11.30 for half an hour. I hope that many of you will be able to join us for what I am sure will be a really informative as well as interesting session. If you would like to come along I would be grateful if you could complete the "Expression of Interest" slip below and return it to school as soon as possible. So that we can ensure we can cater for the right numbers we will need to know in advance if you plan to attend. For your information, the price for an adult meal will be held at £2.00.
