Thought for the Week: "Positive thinking will let you do everything better than negative thinking will." \sim Zig Ziglar

celebratin: **success**

Star of the Week

Star of the Week Certificates were all given to the following children: Sophie Hudspith, Callum Darby, Oscar Dixon, Andrew Jones, Ethan Beecroft, Lewis Stanton and Jake Irvine. These children all had Star Tea with Mr Sutherland due to their exemplary attitude.

Attendance

Rowan class had the highest attendance last week with 99%. Whole school was on target at 95%. Please don't forget to ring 01670 822326 if your child is going to be late or unable to attend school. Thank you.

Ice Cream Friday

The following children all had ice cream sundaes at Ice-cream Friday last week:Alex Fenwick, Kirah O'Brien, Joe Jamieson, Harlee Jobson, Jamie Hardy, Summer Hann and Saphyre Alexander. These children were rewarded because of their good attitude and their tremendous effort last week.

Pudding of the Week

The pudding of the week was chosen by Rowan class and the children are very excited about their creation. It is called 'Jelly Baby Bonanza' and it will be served on Thursday 1st October.

Head Teacher Awards

The following children were all given a Head Teacher Award Certificate for their outstanding work last week. Katie-Leigh Robson, Willow Reay, Emma Price, Dylan McMorn, Kain O'Brien and Chris Blackwood. Well done to all of you and keep up the good work!

importantinformation

Breakfast Club

Don't forget that we run a Breakfast Club from 08:00 every weekday morning. Not only do the children have the opportunity to sit down to a nutritious breakfast, it is also a chance for them to meet friends, play some games and other activities and have a calm, settled start to their school day. Speaking to the children who currently attend I know how much they love coming so if you haven't given it a try yet, why not bring your child/children along so you can see for yourself. We believe it represents great value for money at only £1.00 per day.

After-School Clubs

We run a variety of After-School Clubs here at Bedlington Station over the course of an academic year. We try to cover a wide range of interests; yesterday after school for example, we had pupils attending our Mini-Band practice (Y4 and upwards), Tag Rugby (Y5 and Y6) and Film Club (Y2 and upwards) all happening between 3:00pm and 4:15pm. Other clubs throughout the year include booster sessions such as BrainBusters (Y6 only), Mathletics (Y3 and upwards), Multi Skills and Football and we hope to shortly introduce a non-contact Kickboxing Club once a week. If your child hasn't signed up for a club yet then why not give one of them a try? Please bear in mind that the clubs are age appropriate and invitation to new clubs are sent to the relevant year groups. Keep an eye on the Station Voice newsletter and school noticeboard, check out our website or enquire at the school office. Many of these clubs are free so it's a real chance for the children to try something newMy thanks to all the staff who stay after school to ensure that these clubs can take place and to all of you for your support.

Governors' Forum - A Reminder

As mentioned a couple of weeks ago, we will shortly be having a Governor Forum, which will be an informal get-together where you can drop in to meet Governors, discuss constructive ways in which you think we could 'do better' as a school or just to chat over the exciting things happening in school this year. It will be taking place on <u>Wednesday 14th October, between 2:30pm and 4:00pm</u> in the school hall. A letter will be coming home shortly but I thought you might appreciate some advance warning for your diaries. Please try to come along and talk to Governors – the agenda is yours so feel free to talk to them about anything that is important to you, your child or your family.

MacMillan Coffee Morning

Please don't forget to come along to our Macmillan Coffee Morning (tomorrow) Friday 25th September at 9.00am in the school hall. There will be coffee, tea and cakes as well as a raffle. All proceeds will go to MacMillan Cancer Research.
