Mock SATS – Year 6 Oak Class

Year 6 took part in Mock SATS this week, where we ran the week exactly as it will happen in mid-May. The children have come in early for a special SATS breakfast so that they are settled and ready to start on time. We have also talked about the need for lots of sleep, early bedtimes, good food and lots of water. I am so proud of the way they have responded to this challenge, although knowing them as I do I am not remotely surprised. They have all tried their very best, with a responsible, confident and mature attitude and have all performed brilliantly. Well done Year 6 and thank you to you as parents and carers for your support in helping to give them every possible chance to succeed. May I also thank teaching, support and administrative staff for their role in making sure that this week has gone so smoothly. It is very much appreciated!

Portal Design – Station Studios

Our creative project continues to go really well and is delivering some amazing results in each Station Studio. Just a reminder that parents and carers will be invited into school in the last week of half term to share and celebrate some of the children's achievements. Keep a look out for the invitation and we look forward to seeing you then.

School Meal Theme Day

As you know we held our special school meal Theme Day last Thursday. It proved incredibly popular with 175 children having a school lunch on that day. We had a special meal, party balloons and music playing in the Hall. As I promised, there were three Golden Tickets hidden amongst the school meals! They were all found and the winners were Alex in Studio W, Dylan in Studio 4 and Katie in Studio 5. Well done you three, all of whom received a £5.00 Gift Voucher. Thank you to all the children and adults who helped to make our Theme Day such a special occasion and particular thanks of course go to our kitchen team.

Nursery Places

Please can we ask that if you have any children or know of any, under the age of three whose parent or carer has not yet completed a nursery application form, then please call at the school office and request a form. Thank you.

Dinner Money

Please can we remind you to pay for your child's school meals on a Monday. It would be really helpful if it is in an envelope, purse or wallet with your child's name, class and the amount written on it. Many thanks.

Sainsbury's Vouchers

We are once again participating in the Sainsbury's Vouchers Scheme, they are available from 27th January until 3rd May. If you do collect them please bring them into school and place them in the box situated in the main entrance. Thank you.
