Y5 Travel To and From School from September 2016

Dear Parents/Carers

As you are aware it is an expectation that children in Nursery to Year 4 are brought to and collected from School by a responsible adult and are not permitted to walk alone. When children reach Year 5 you may decide that your child can be given the responsibility of walking to and from school independently.

If you would like to give this responsibility to your child please give your written consent below.

Please note if we do not have written consent we will expect your child to continue to be supervised on the way to and from school. This consent will remain in place from the date given. If you wish to change this way at any time please contact the office.

It is your choice to allow your child to do this, however we strongly advise that if you do so, you talk to your child about staying safe, including road safety and stranger danger.

Yours sincerely

Mr C Sutherland
